Astina, Czechia glass wall luminaire stands as a testament to impeccable craftsmanship and timeless elegance. Combining tradition and modernity, it showcases a harmony between the delicate artistry of glassmaking and sleek, brushed aluminium.

Designed with an integrated LED feature, this wall luminaire brings practical functionality into the realm of sophisticated design. Czechia, renowned for its rich history of glassmaking, has produced some of the finest glassworks in the world. The glass used in this pendant is no exception.

Complementing the glass is the brushed aluminium centre piece, a modern touch that contrasts beautifully against the earthy, organic tone of the wall luminaire. The brushed finish lends a muted shine to the metal, making the piece both understated and versatile.
