WARRANTY 5YR

The Blackout linear profile series is a unique all black profile that combines a black coloured diffuser with a high quality black anodised profile. Suitable for a range of applications, when used in areas with black surfaces the profile seamlessly blends in with its environment until illuminated.

Constructed from high grade 6063T extruded aluminium and high quality translucent black PMMA, the Blackout provides optimal heat transfer and continuous illumination. The profile can also be paired with the Zeroflex³ range of flexible LED strip lighting for that NO dotting effect. The Blackout can either be surface mounted or recessed for a trimless look.

- Mounting: Surface & recessed mounting applications
- Construction: Extruded 6063T grade aluminium mounting profile
- Finish Options: Black¹
- Diffuser: PMMA Translucent black
- Symmetrical Distribution: 110°
- Accessories: Mounting clips & end caps included⁴
- Dimensions: W 17.3mm x H 7mm x L 2500mm
- Ingress protection rating: IP44
- Specifically designed for Zeroflex series LED strip lighting³
- Warranty: 5 years⁵

Compatible LED strip lighting²:

Zeroflex³

10W - 480 LEDs/m

3000K - 900Lm/m

4000K - 1000Lm/m

15W - 480 LEDs/m

3000K - 1350Lm/m

4000K - 1500Lm/m

1 Black finish as standard

2 LED strip not included

3 Refer to Zeroflex datasheet for detailed technical information

4 Mounting clips are included on a basis of 2 pcs/m. Additional will incur a charge

5 Five year manufacturer's warranty covering product defects and performance deficiencies
