WARRANTY 5YR

The Blackout linear profile series is a unique all black profile that combines a black coloured diffuser with a high quality black anodised profile. Suitable for a range of applications, when used in areas with black surfaces the profile seamlessly blends in with its environment until illuminated.

Constructed from high grade 6063T extruded aluminium and high quality translucent black PMMA, the Blackout provides optimal heat transfer and continuous illumination. The profile can also be paired with the Zeroflex<sup>3</sup> range of flexible LED strip lighting for that NO dotting effect. The Blackout can be either surface mounted, suspended or recessed for a trimless look.

- Mounting: Surface & recessed mounting applications
- Construction: Extruded 6063T grade aluminium mounting profile
- Finish Options: Black<sup>1</sup>
- Diffuser: PMMA Translucent black
- Symmetrical Distribution: 110°
- Accessories: Mounting clips, end caps included<sup>4</sup> suspension wires optional
- Dimensions: W 35mm x H 35mm x L 2500mm
- Ingress protection rating: IP44
- Specifically designed for Zeroflex series LED strip lighting<sup>3</sup>
- Warranty: 5 years<sup>5</sup>

Compatible LED strip lighting<sup>2</sup>:

Zeroflex<sup>3</sup>

10W - 480 LEDs/m

3000K - 900Lm/m

4000K - 1000Lm/m

15W - 480 LEDs/m

3000K - 1350Lm/m

4000K - 1500Lm/m

1 Black finish as standard

2 LED strip not included

3 Refer to Zeroflex datasheet for detailed technical information

4 Mounting clips are included on a basis of 2pcs/m. Additional will incur a charge. Suspensions wire are an optional accessory

5 Five year manufacturer's warranty covering product defects and performance deficiencies
